STANDARD FORM 30 (Rev. 10-83)

VIOUS EDITION UNUSABLE

Prescribed by GSA
FAR (48 CFR) 53.243

The purpose of modification no. 14 is to incorporate the contractors no cost change proposal (this period plus all remaining options) submitted in response to Marshall Space Flight Center (MSFC) Request for Proposal dated July 24, 2003. Therefore, the contract is modified in the following particular:

- A. Based on expanded support to classified NASA programs, as well as support needed for urgent Return to Flight Activities, MSFC is requesting to modify the current Security Classification Specification, DD Form 254 (Attachment 7), to now require contractor access to information from the Secret to the Top Secret Level. The attached DD Form 254 reflects the required access and provides further guidance to the contractor.
- B. In consideration of the modification(s) agreed to herein as complete equitable adjustment for the Contractor's "proposal(s) for adjustment," the Contractor hereby releases the Government from any liability under this contract for further equitable adjustments attributable to such facts and circumstances giving rise to the "proposal(s) for adjustment."

Item 14 of DD 254: Additional Security Requirements for the Coastal International Security, Inc:

This contract requires access to Sensitive Compartmented Information (SCI). SCI will only be released to contractor employees requiring access in order to perform within the scope of the contract and only after official verification of the appropriate clearance level has been obtained. Any SCI material furnished to the contract will be returned to the direct custody of the agency having cognizance unless other disposition instructions have been issued.

The names of any additional employees requiring SCI clearances solely for the purpose of this contract will be provided to a designated contract monitor or the Contracting Officer's Technical Representative (COTR), who will verify and approve the request. After approval, the name will be provided to the MSFC Program Security Officer, who will submit a request for the clearance.

Need-to-know verification for employees' classified visits to SCI facilities in the performance of this contract shall be obtained from the MSFC Program Security Officer.
